TREZLOR
JUST SIMPLIFIED !

Maximize

Get more bookings through our customer mobile app platforms, serve more clients by better control on appointments, reduce client wait-time for processing payments, track staff's productivity & business on a daily basis & get better control on inventory.

Elevate

Using Trezlor's customer-centric notifications & features to capture all relevant information for a client. Track client membership or package expiry, advances, service balances, buying patterns & use automated SMS campaigns to remind them of the same.

Drive

Track ROI of your strategies, marketing campaigns, memberships, and more through various analytical reports & tools which showcases client buying patters, client retention, and how your business health, in general.

TREZLOR helps salons and spas to leverage technology to grow and ....

Unify

Trifold brochures have long been a type of material used to advertise brands, products, and services. The best way to maximize its use is to introduce what the brand has to offer with a brief or about section like this. Make sure to keep your introduction short but interesting enough to readers.

Lead

We understand your clients have a range of options to choose from. As a technology partner, we empower you to be leaders in your domain by giving the most enriching experience to your clients, ease of use for your billing staff & ease access to reports & analytics to salon owners

Simplify

Using Trezlor, you can simplify your most time-consuming salon management tasks and reports. Your front office would love the simplicity and the speed of our POS so they can focus on the client experience and not having to spend time on making the software to work.

Turbo-charge your business
